(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Because the language of claims 1 and 46 that "at least 68% of said particles" was not relied upon to overcome the prior art, the language concerning "68%" is being deleted from the claims. Other agreed upon modifications are being made to clarify the claims and to add the amendments that were submitted on 8/20/07 but were not entered are being added. The submitted amendment to the specification is unnecessary and is not being entered. Other amendments to clarify the specification have been agreed to. See the Examiner's amendment. .
